**Please Note:**

Ice Show practice times for your child probably differ from your previous group lesson times. We apologize for any inconvenience.

Attendance is very important! The skaters only have a few weeks to learn the choreography. Please attend ALL the practices unless your child is ill or injured.

If your child skates at the Bridge or Freestyle level, ALL practices are critical.

If your child absolutely cannot make a practice, please notify the ice show committee and make arrangements with the coach or fellow skater to learn what was missed.
