## Membership Enrollment Form Fall 2020

Welcome back to our 2020 – 2021 season. We hope your skater is as excited about resuming lessons as we are. Things will look quite a bit different beginning with location. This year we will start Learn to Skate lessons at the Utica Auditorium. This decision has been made for two reasons: 1. The Clinton arena is not opening until November 2<sup>nd</sup> and 2. The Utica Auditorium will allow parents in the building which Clinton Arena will not. We will be offering a six-week session beginning Sunday September 20<sup>th</sup> with the hope that the Utica Auditorium can extend it to a full 10-week session. CFSC will know at the beginning of October if they can continue to offer us ice time through November. We will offer two LTS sessions each with a full hour of instruction from Clinton Figure Skating Club coaches. One session will begin at 5pm Sunday evenings and the second will begin at 6pm Sunday evenings. Since there is a limit of 25 skaters per session, we will inform you of your specific time prior to the start date. The skaters will be placed in a “pod” of skaters at similar level/ability. Because of USFSA Covid-19 regulations, we must request that any child that is registered MUST be able to get up from the ice independently. Because of this we will only be registering skaters from Learn to Skate 1 through Bridge. Unfortunately, no Snowplow Sam this fall. As always please feel free to contact the club with any questions.

LTS session: 6-week session Sunday evenings September 20<sup>th</sup> – October 25<sup>th</sup>

Skater will be scheduled to begin either 5pm OR 6pm

Registration:

Clinton Arena Lobby – Wednesday September 16<sup>th</sup> from 6pm-7pm
