1. One half of Enrollment Fee is due before the start of skating. **Remaining half is due November 15th.** Total fee includes USFS membership dues and all applicable CFSC fees. *(Short-term class (8-10 weeks) fees are due in full by the first day of classes.)*

2. All full members are subject to an **additional membership fee** for Ice Show. An Ice Show Assessment of \$75.00 per skater (maximum \$100.00 per family) is payable through ticket sales. **This fee is required whether the skater participates in the ice show or not.** The ice show is our biggest fundraiser and participation is vital to our club success. *(Ice show is not required for participants of short-term classes.)*

3. Any payments **NOT** made as specified will jeopardize the member's standing in the club and will result in the **loss of privileges** (e.g., ice time, participation in ice show, permission to test or compete) and result in a \$10.00 late fee per month until full payment is received.
